

Angsana Health Profile

Launched in 2023, Angsana Health delivers Health plans and digital health solutions to SMEs, middle class and gig economy. Angsana Health aims to improve healthcare outcomes, to increase healthcare access and affordability, and to improve the patient experience through four business units: Corporate Health Solutions for SMEs, the middle class and gig economy; Digital Health Solutions for patients; Academy for healthcare providers training; and Research & Consulting for companies. Together with its subsidiaries MiyaCare and Angsana Lindung, Angsana Health is dedicated to achieving 'Health for All'. For more information, visit www.angsanahealth.com
